THIS DECLARATION, dated May ___, 1999, is by STAFFORD DEVELOPMENT, INC. ("Developer").

Recitals: 102 of 1064 IAR.C

A. Developer is the purchaser and owner of all of the lands contained in the area shown on Exhibit "A", attached hereto and made a part hereof, which lands will be subdivided for development of Glen Haven, a single family housing development in Hendricks County, Indiana (the "Development"), and will be more particularly described on the plats of the various sections thereof recorded and to be recorded in the Office of the Recorder of Hendricks County, Indiana (the "Plats").

B. Developer is about to sell and convey the residential lots situated within the platted areas of the Development and before doing so desires to subject and impose upon all real estate within the platted areas of the Development mutual and beneficial restrictions, covenants, conditions and charges contained herein and as set forth in the Plats (the "Declaration " or "Restrictions") under a general plan or scheme of improvement for the benefit and complement of the lots and lands in the Development and future owners thereof.

Terms:

NOW, THEREFORE, Developer hereby declares that all of the platted lots and lands located within the Development are held and shall be held, conveyed, hypothecated or encumbered, leased, rented, used, occupied and improved, subject to the Restrictions, all of which are declared and agreed to be in furtherance of a plan for the improvement and sale of said lots and lands in the Development, and are established and agreed upon for the purpose of enhancing and protecting the value, desirability and attractiveness of the Development as a whole and of each of said lots situated therein. All of the Restrictions shall run with the land and shall be binding upon Developer and upon the parties having or acquiring any right, title or interest, legal or equitable, in and to the real property or any part or parts thereof subject to the Restrictions, and shall inure to the benefit of Developer's successors in title to any real estate in the Development. Developer specifically reserves unto itself the right and privilege to exclude any real estate from the Development, or to include additional real estate in the Development including real estate adjacent to the Development.

A. "Assessment" shall mean the share of the Common Expenses imposed on each Lot or other special assessments, as determined and levied pursuant to the provisions of Section 5 hereof.

B. "Association" shall mean the Glen Haven Homeowners' Association, Inc., an Indiana nonprofit corporation formed or to be formed under the Indiana Nonprofit Corporation Act of 1991, as amended.

C. "Area A" shall mean Lots 24 through 54, Lots 167, 168, 169 and Lots 183 through 199.

D. "Area B" shall mean Lots 1 through 23, Lots 55 through 166, Lots 170 through 182 and Lots 200 through 211.

E. "Board" shall mean the Board of Directors of the Association.

F. "Committee" shall mean the Development Control Committee, composed of three (3) members of the Association appointed by the Board. The members of the Committee shall serve for one (1) year terms, but are subject to removal by the Board at any time with or without cause. Any vacancies on the Committee from time to time existing shall be filled by appointment by the Board. Notwithstanding anything herein to the contrary, Developer shall have the powers and authority of the Committee during the Development Period.

G. "Common Area(s)" shall mean those areas and all improvements located thereon set aside for recreation areas, swimming pool and related facilities, theme structures or landscaped areas or mounds at street entrances, lights, park areas, street landscaping, the Lakes, and any other areas so designated on the Plats. The Common Areas shall include, but not be limited to, the walking paths and tot playground.

K. "Landscape Easement" shall mean a portion of a Lot designated on the Plat as an area to be landscaped and maintained by the Association as a Common Area.

L. "Lot" or "Lots" shall mean any parcel(s) of real estate, whether residential or otherwise, described by the Plats.

M. "Member" shall mean any person or entity holding membership in the Association as provided in this Declaration.

N. "Owner" shall mean a person who has or is acquiring any right, title or interest, legal or equitable, in and to a Lot, but excluding those persons having such interest merely as security for the performance of an obligation.

O. "Plat" shall mean the recorded Plat for all or any portion of the property as may be amended from time to time.

2. Organization and Duties of Association.

A. Organization of Association. The Association is or shall be incorporated under the name of Glen Haven Homeowners Association, as a nonprofit corporation organized under the laws of the State of Indiana.

i. Membership. Every Owner of a Lot, except as herein provided to the contrary, shall be entitled and required to be a member of the Association. If title to a Lot is held by more than one person, each of such persons shall be a member. An Owner of more than one Lot shall be entitled to, and there shall be required, one membership for each such lot. Each such membership shall be appurtenant to the Lot upon which it is based and shall transfer automatically by voluntary or involuntary conveyance of the title of that Lot. Except as herein otherwise expressly provided, no person or entity other than an Owner or Declarant may be a member of the Association, and a membership in the Association may not be transferred except in connection with the transfer of title to a Lot.

ii. Transfer. A membership in the Association shall not be transferred, pledged or alienated in any way, except upon the transfer of the record title of a Lot and then only to

4

such transferee, by assignment, intestate succession, testamentary disposition, foreclosure of mortgage of record or other legal process. It shall be the responsibility of each Owner, upon becoming entitled to membership, to so notify the Association in writing, and until so notified, the Association may continue to carry the name of the former Owner as a member, in its sole discretion. Any attempt to make a prohibited transfer is void and will not be reflected upon the books and records of the Association. In the event the Owner of any Lot should fail or refuse to transfer the membership registered in his name to the transferee of title of such Lot, the Association may issue a new membership to the transferee, and thereupon the old membership outstanding in the name of the transferor shall be null and void as though the same had been surrendered.

iii. Voting. The Association shall have two (2) classes of voting membership, as follows:

a. Class A. Class A members shall be all Owners of Lots, with the exception of the Declarant prior to termination of Class B membership, and shall be entitled to one(1) vote for each lot owned with respect to each matter submitted to a vote of members upon which the Class A members are entitled to vote. When more than one person holds title to any Lot, all such persons shall be members. The vote for such Lot shall be exercised as they among themselves determine, but in no event shall more than one vote be cast with respect to any one Lot. There can be no split vote. Prior to or at the time of any meeting at which a vote is to be taken, each co-Owner or other person entitled to a vote at such meeting shall file with the Secretary of the Association the name of the voting co-Owner or other person entitled to a vote at such meeting, unless such co-Owner or other persons have filed a general voting authority with the Secretary applicable to all votes until rescinded.

b. Class B. Class B members shall be the Declarant and all successors and assigns of the Declarant designated by the Declarant as Class B members in a written notice mailed or delivered to the resident agent of the Association. Each class B member shall be entitled, on all matters requiring a vote of the membership of the Association, to five (5) votes for each Lot owned by them or it and five (5) votes for each single numbered parcel of land shown upon and identified as a Lot on any recorded plat of the Development. The Class B membership shall cease and terminate upon the first to occur of (1) the date upon which the written resignation of the Class B members as such is delivered to the resident agent of the Association; (2) expiration of the Development Period; (3) six (6) years after the date of recording of the first conveyance of a Lot to an Owner other than Declarant; (the applicable date being herein referred to as the "Applicable Date"). Declarant shall each be entitled to one (1) Class A membership for each Lot of which it is the Owner on or after the termination of the Class B membership.

iv. Suspension of Voting Rights. In the event any Owner shall be in arrears in the payment of any amount due under any of the provisions of this Declaration for a period of thirty (30) days, or shall be in default in the performance of any of the terms of this

5

Declaration for a period of thirty (30) days, such Owner's right to vote as a member of the Association shall be suspended and shall remain suspended until all payments are brought current and all defaults remedied.

v. Board of Directors. Following the Applicable Date, the Owners shall elect a Board of Directors of the Association as prescribed by the Association's Articles and Bylaws. The Board of Directors shall manage the affairs of the Association. Until the Applicable Date, the Board shall consist of three (3) persons designated by Declarant, as long as it shall own one or more lots.

vi. Proxies. Every Member entitled to vote or execute statements of consent shall have the right to do so either in person or by an agent or agents authorized by a written proxy executed and dated by such Person or his duly authorized agent; provided, however, that the form of any proxy must be reviewed and approved by the Board prior to the meeting for which the proxy is being submitted; and provided further, that no such proxy shall be valid after the expiration of one (1) year from the date of its execution unless the proxy specifies a shorter term. A Member's proxy shall automatically terminate upon conveyance by that member of his fee title interest in all Lots owned by the Member. An Owner may revoke a proxy pursuant to this section only by actual notice of revocation to the person presiding over a meeting of the Association. Actual notice, in this provision, means a written statement signed by the Owner and delivered to Secretary prior to the meeting or attendance at the meeting by the Owner. A proxy is void if it is not dated or purports to be revocable without notice.

vii. Actions. If a quorum is present, as set forth in the Bylaws, the affirmative vote on any matter of the majority of the votes represented at the meeting (or, in the case of elections in which there are more than two candidates, a plurality of the votes cast) shall be the act of the Members, unless the vote of a greater number is required by law or by the Restrictions.

B. General Duties of the Association. The Association is hereby authorized to act and shall act on behalf of, and in the name, place, and stead of, the individual Owners in all matters pertaining to the maintenance, repair, and replacement, of the Common Areas, the determination of Common Expenses, and the collection of annual and special Assessments. The Association shall also have the right, but not the obligation to act on behalf of any Owner or Owners in seeking enforcement of the terms, covenants, conditions and restrictions contained in the Restrictions. Neither the Association nor its officers or authorized agents shall have any liability whatsoever to any Owner for any action taken under color of authority of this Declaration, or for any failure to take any action called for by this Declaration, unless such act or failure to act is in the nature of a willful or reckless disregard of the rights of the Owners or in the nature of willful, intentional, fraudulent, or reckless misconduct.

C. Amendment of Declaration. The Association shall have the right to amend this Declaration at any time, and from time to time, in accordance with Section 12 of this Declaration.

D. Insurance. The Association shall maintain in force adequate public liability insurance protecting the Association against liability for property damage and personal injury. The Association may, but need not, maintain in force adequate officers and directors insurance covering the officers and directors of the Association. If appropriate, the Association shall also maintain in force adequate fire and extended coverage insurance, insuring all Common Areas against fire, windstorm, vandalism, and such other hazards as may be insurable under standard "extended coverage" provisions, in an amount equal to the full insurable value of such improvements and property. The Association shall notify all mortgagees which have requested notice of any lapse, cancellation, or material modification of any insurance policy. All policies of insurance shall contain an endorsement or clause whereby the insurer waives any right to be subrogated to any claim against the Association, its officers, Board members, the Developer, any property manager, their respective employees and agents, the Owners and occupants, and also waives any defenses based on co-insurance or on invalidity arising from acts of the insured, and shall cover claims of one or more parties against other insured parties.

The Association may maintain a fidelity bond indemnifying the Association, the Board and the Owners for loss of funds resulting from fraudulent or dishonest acts of any director, officer, employee or anyone who either handles or is responsible for funds held or administered by the Association, whether or not they receive compensation for their services. The fidelity bond should cover the maximum amount of funds which will be in the custody of the Association or its management agent at any time, but in no event shall such fidelity bond coverage be less than the sum of one (1) years' assessment on all Lots in the Development, plus the Association's reserve funds.

The Association shall cause all insurance policies and fidelity bonds to provide at least ten (10) days written notice to the Association, and all mortgagees who have requested such notice, before the insurance policies or fidelity bonds can be canceled or substantially modified for any reason.

E. Condemnation, Destruction. In the event that any of the Common Areas shall be condemned or taken by any competent public authority, or in the event the same shall be damaged or destroyed by any cause whatsoever, the Association shall represent the interests of the Owners in any proceedings, negotiations, insurance adjustments, settlements, or agreements in connection with such condemnation, damage, or destruction. Any sums recovered by the Association shall be applied, first, to the restoration and repair of any Common Areas condemned, damaged, or destroyed, to the extent such restoration or repair

is practicable, and the balance of such sums shall either be held as a reserve for future maintenance of the Common Areas or turned over to the Owners in proportion to their Pro-rata Shares (as hereinafter defined), whichever may be determined by a majority vote of the members of the Association. Each Owner shall be responsible for pursuing his own action for damages to his Lot, either by reason of direct damage thereto or by reason of an impairment of value due to damage to the Common Areas. The Association shall notify all Mortgagees of which it has notice of any condemnation, damage, or destruction of any Common Areas.

F. Mortgagee's Rights. Any mortgagees of any Owners shall have the right, at their option, jointly or severally, to pay taxes or other charges which are in default or which may or have become a charge against the Common Areas and to pay overdue premiums on hazard insurance policies, or secure new hazard insurance coverage on the lapse of a policy for the Common Areas, and mortgagees making such payment shall be owed immediate reimbursement therefor from the Association. In addition, neither the Owners nor the Association shall materially impair the right of any mortgagee holding, insuring, or guaranteeing any mortgage on all or any portion of the Real Estate.

3. Powers of Committee.

A. In General. No dwelling, building structure, fencing, exterior painting (excluding repainting in the same color) or exterior improvement of any type or kind (except landscaping), including but not limited to basketball goals or backboards, awnings, patios, decks, porches, gazebos, shall be constructed or placed on any Lot without the prior written approval of the Committee. Such approval shall be obtained only after written application requesting authorization has been made to the Committee by the Owner of the Lot. Such written application shall be in the manner and form prescribed from time to time by the Committee, and the Committee may require a set of plans and specifications for any such proposed construction or improvement. The Committee may require that such plans include plot plans showing the location of all improvements existing upon the Lot and the location of the improvements proposed to be constructed or placed upon the Lot, each properly and clearly designated. The Committee may also require that such plans and specifications set forth the color and composition of all exterior materials proposed to be used and any proposed landscaping, together with any other material or information which the Committee may require. Notwithstanding anything herein to the contrary, approval of the Committee will not be required for improvements, fencing or structures placed on a Lot by the Developer.

8

B. Power of Disapproval. The Committee may refuse to grant permission to construct, place or make the requested improvement, when:

(1) The plans, specifications, drawings or other material submitted are themselves inadequate or incomplete, or show the proposed improvements to be in violation of the Restrictions;

(2) The design, proposed material or color scheme of a proposed improvement is not in harmony with the general surroundings of the Lot or with adjacent buildings or structures, including trim, siding, roof and brick colors, or with the Development in general;

(3) The proposed improvement or any part thereof would architecturally, in the reasonable judgment of the Committee, be contrary to the interests, welfare or rights of all or any other Owners.

C. Duties of Committee. The Committee shall approve or disapprove proposed improvements within thirty (30) days after all required information shall have been received. A copy of submitted materials shall be retained by the Committee for its permanent files. All notifications to applicants shall be in writing, and, in the event that such notification is one of disapproval, it shall specify the reason or reasons therefor. The Committee shall further affix its signature of approval upon two (2) site plans for purposes of obtaining an Improvement Location Permit, or similar permit, from the Permits Section of the Department of Metropolitan Development, or other applicable governmental authority, if such are required.

D. Liability of Committee. Neither the Committee nor any agent or member thereof, nor Developer during the Development Period or thereafter, shall be responsible in any way for any defects in any plans, specifications or other materials submitted to it, nor for any defects in any work done according thereto.

E. Inspection. The Committee or its designated agent may inspect work being performed to assure compliance with these Restrictions and applicable regulations.

F. Rules Governing Building on Several Contiguous Lots Having One Owner. Whenever two or more contiguous Lots shall be owned by the same Owner, and such Owner shall desire to use two or more of said Lots as a site for a single dwelling, he shall apply in writing to the Committee for permission to so use said Lots. If permission for such a use shall be granted, the Lots constituting the site for such single dwelling shall be treated as a single Lot for the purpose of determining the Assessment and for applying these Restrictions to said Lots, so long as such Lots remain improved with one single dwelling.

9

4. Remedies.

A. In General. Any party to whose benefit the Restrictions inure, including Developer, any Owner, the Association, or any applicable governmental authority, may proceed at law or in equity to prevent the occurrence or continuation of any violation of these Restrictions, but Developer or the Association shall not be liable for damages of any kind to any person for failing either to enforce or carry out any of the Restrictions.

B. Delay or Failure to Enforce. No delay or failure on the part of any aggrieved party to invoke any available remedy with respect to a violation of any one or more of the Restrictions shall be held to be a waiver by that party (or an estoppel of that party to assert) any right available to him upon the occurrence, recurrence or continuation of such violation or violations of the Restrictions.

5. Covenants for Maintenance Assessments.

A. Purpose of Assessments. The Assessments levied by the Association shall be used exclusively for the purpose of preserving the values of the Lots within the Development and promoting the health, safety, and welfare of the Owners, users, and occupants of the Development and, in particular, for the Association's obligations relating to the improvement, repairing, operating, and maintenance of the Common Areas, including, but not limited to, the payment of taxes and insurance thereon, enforcement of the Restrictions, and for the cost of labor, equipment, material, and management furnished with respect to the Common Areas; provided that the Association shall not be responsible for the replacement, repair or maintenance of any Common Areas which are or hereafter may be dedicated to the public. Each Owner (except the Developer) hereby covenants and agrees to pay to the Association:

(a) A Pro-rata Share (as hereinafter defined) of the annual Assessment fixed, established, and determined from time to time, as hereinafter provided.

(b) A Pro-rata Share (as hereinafter defined) of any special Assessments fixed, established, and determined from time to time, as hereinafter provided.

The Developer hereby covenants and agrees to pay to the Association during the Development Period an amount equal to the difference, if any, between the expenditures of the Association made pursuant to this Section 5.A and the aggregate amount of the annual Assessments collected by the Association.

B. Liability for Assessment. Each Assessment, together with any interest thereon and any costs of collection thereof, including attorneys' fees, shall be a charge on each Lot

10

other than Lots owned by the Developer and shall constitute a lien from and after the due date thereof in favor of the Association upon each such Lot. Each such Assessment, together with any interest thereon and any costs of collection thereof, including attorneys' fees, shall also be the personal obligation of the Owner of each such Lot at the time when the Assessment is due. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such Assessments as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any Assessments thereafter becoming due or from the lien thereof, nor shall any sale or transfer relieve any Owner of the personal liability hereby imposed. The personal obligation for delinquent Assessments shall not pass to any successor in title unless such obligation is expressly assumed by such successor.

C. Pro-rata Share. The Pro-rata Share of each Owner for purposes of this Section 5 shall be the percentage obtained by dividing one by the total number of Lots shown on the Plats of the Development ("Pro-rata Share"), except, as provided in Section 3F herein.

D. Basis of Annual Assessments. The Board shall establish an annual budget prior to the beginning of each fiscal year, setting forth estimates of all Common Expenses for the coming fiscal year, together with a reasonable allowance for contingencies and reserves of the Association. A copy of this budget shall be mailed or delivered to each Owner prior to the beginning of each fiscal year of the Association.

E. Basis of Special Assessments. Should the Board at any time during the fiscal year determine that the Assessment levied with respect to such year are insufficient to pay the Common Expenses for such year, the Board may, at any time, and from time to time levy such special Assessments as it may deem necessary for meeting the Common Expenses. In addition, the Board shall have the right to levy at any time, and from time to time, one or more special Assessments for the purpose of defraying, in whole, or in part, any unanticipated Common Expense not provided for by the annual Assessments.

F. Fiscal Year; Date of Commencement of Assessments; Due Dates. The fiscal year of the Association shall be established by the Association and may be changed from time to time by action of the Association. At the election of the Developer, the annual Assessments of each Lot in each section of the Development shall commence on the date upon which the Developer first conveys ownership of any Lot in such section to an Owner. The amount of the first annual Assessment due and payable for each Owner shall be prorated to the end of the assessment year from the date of the closing of the Owner's Lot and shall be paid at the time of the closing of the Owner's Lot. The first annual Assessment within each section of the Development shall be made for the balance of the Association's fiscal year in which such Assessment is made and shall become due and payable commencing on any date fixed by the Association. The annual Assessment for each year after the first

assessment year shall be due and payable on the first day of each fiscal year of the Association. Annual Assessments shall be due and payable in full as of the above date, except that the Association may from time to time by resolution authorize the payment of such Assessments in installments.

G. Duties of the Association.

(i) The Board shall keep proper books and records of the levy and collection of each annual and special Assessment, including a roster setting forth the identification of each and every Lot and each Assessment applicable thereto, which books and records shall be kept by the Association and shall be available for the inspection and copying by each Owner (or duly authorized representative of any Owner) at all reasonable times during regular business hours of the Association. The Board shall cause written notice of all Assessments levied by the Association upon the Lots and upon the Owners to be mailed or delivered to the Owners or their designated representatives as promptly as practicable and in any event not less than thirty (30) days prior to the due date of such Assessment or any installment thereof. In the event such notice is mailed or delivered less than thirty (30) days prior to the due date of the Assessment to which such notice pertains, payment of such Assessment shall not be deemed past due for any purpose if paid by the Owner within thirty (30) days after the date of actual mailing or delivery of such notice.

(ii) The Association shall promptly furnish to any Owner or any mortgagee of any Owner upon request a certificate in writing signed by an officer of the Association, setting forth the extent to which Assessments have been levied and paid with respect to such requesting Owner's or mortgagee's Lot. As to any person relying thereon, such certificate shall be conclusive evidence of payment of any Assessment therein stated to have been paid.

(iii) The Association shall notify any mortgagee from which it has received a request for notice of any default in the performance by any owner of any obligation under the By-laws or this Declaration which is not cured within sixty (60) days.

H. Non-payment of Assessments, Remedies of Association.

(i) If any Assessment is not paid on the date when due, then such Assessment shall be deemed delinquent and shall, together with any interest thereon and any cost of collection thereof, including attorneys' fees, become a continuing lien on the Lot against which such Assessment was made, and

such lien shall be binding upon and enforceable as a personal liability of the Owner of such Lot as of the date of levy of such Assessment, and shall be enforceable against the interest of such Owner and all future successors and assignees of such Owner in such Lot, and shall be collected in the same manner as the Assessments described in paragraph ii hereof, provided, however, that such lien shall be subordinate to any mortgage on such Lot recorded prior to the date on which such Assessment becomes due.

(ii) If any Assessment upon any Lot is not paid within thirty (30) days after the due date, the Owner shall pay a late charge in the amount of Twenty-five Dollars (\$25.00) for the first thirty (30) day period and an additional Twenty-five Dollars (\$25.00) for a subsequent thirty (30) day period. The Association may bring an action in any court having jurisdiction against the delinquent Owner to enforce payment of the same and/or to foreclose the lien against said Owner's Lot, and there shall be added to the amount of such Assessment all costs of such action, including the Association's attorneys fees, and in the event a judgment is obtained, such judgment shall include such interest, costs, and attorneys' fees.

1. Adjustments. In the event that the amounts actually expended by the Association for Common Expenses in any fiscal year exceed the amounts budgeted and assessed for Common Expenses for that fiscal year, the amount of such deficit shall be carried over and become an additional basis for Assessments for the following fiscal year. Such deficit may be recouped either by inclusion in the budget for annual Assessments or by the making of one or more special Assessments for such purpose, at the option of the Association. In the event that the amounts budgeted and assessed for Common Expenses in any fiscal year exceed the amount actually expended by the Association for Common Expenses for that fiscal year, a Pro-rata Share of such excess shall be a credit against the Assessment(s) due from each Owner for the next fiscal year(s).

6. Effect of Becoming an Owner. The Owners of any Lot subject to these Restrictions, by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from Developer or a subsequent Owner of such Lot, shall accept such deed and execute such contract subject to each and every restriction and agreement herein contained. By acceptance of such deed or execution of such contract, the new Owner acknowledges the rights and powers of Developer with respect to these Restrictions and also for themselves, their heirs, personal representatives, successors and assigns. Such Owners covenant and agree and consent to and with Developer and to and with the Owners and subsequent owners of each of the Lots affected by these Restrictions to keep, observe, comply with and perform such Restrictions and agreements.

7. **Control of the Common Areas.**

A. **Control by the Board.** The Board shall regulate the Common Areas and shall provide for the maintenance thereof in such a manner so as to preserve and enhance values and to maintain a harmonious relationship among structures in the vicinity thereof and the natural or other vegetation and topography of the Common Areas.

B. **Conditions.** No improvements, excavation, changes in grade or other work shall be done upon the Common Areas by any Owner, nor shall the Common Areas be changed by any Owner from its natural or improved existing state, without the prior written approval of the Board.

8. **The Lakes.** Declarant shall convey title to the Lakes to the Association. The Association shall be responsible for maintaining the Lakes. Maintenance costs of the Lakes shall be assessed as a general assessment against Lots subject to assessment. Each Owner of a Lot that abuts a Lake shall be responsible at all times for maintaining so much of the bank of the Lake above the Lake level as constitutes a part of, or abuts, its Lot and shall keep that portion of the Lake abutting his Lot free of debris and otherwise in reasonably clean condition.

No boats shall be permitted on any part of a Lake and no dock, pier, wall or other structure may be extended into the Lake without the prior written consent of the Architectural Review Board and such governmental authority as may have jurisdiction there over. No swimming will be permitted in any Lake except and to the extent authorized by the Board of Directors. Each Owner of a Lot abutting a Lake shall indemnify and hold harmless Declarant, the Association and each other Owner against any loss or damage incurred as a result of injury to any person or damage to any property, or as a result of any other cause or thing, arising from or related to use of, or access to, a Lake by any person who gains access thereto from, over, or across such Owner's Lot. Declarant shall have no liability to any person with respect to a Lake, the use thereof or access thereto, or with respect to any damage to any Lot resulting from a Lake or the proximity of a Lot thereto, including damage from erosion.

9. **Restrictions, Covenants and Regulations**

A. **Restrictions on Use.** The following covenants and restrictions on the use and enjoyment of the Lots and the Common Areas, and shall be in addition to any other covenants or restrictions contained herein or in the Plats. All such covenants and restrictions are for the mutual benefit and protection of the present and future Owners and shall run with the land and inure to the benefit of and be enforceable by any Owner or the Association.

Present or future Owners or the Association shall be entitled to injunctive relief against any violation or attempted violation of any of such covenants and restrictions, and shall, in addition, be entitled to damages for any injuries or losses resulting from any violations thereof, but there shall be no right of reversion or forfeiture resulting from such violation. These covenants and restrictions are as follows:

(a) Use of Common Areas. No one other than Owners who are Members in good standing with the Association, or such an Owner's occupant, tenants, guests or invitees, may use the Common Areas. Provided however, the walking paths and tot playground may be used by the Owners, Tenants, and guests of the adjacent Glen Haven Village Development. All such persons shall observe and be governed by such rules and regulations as may from time to time be promulgated and issued by the Board governing the operation, use and enjoyment of the Common Areas. No person shall be allowed to plant trees, landscape or do any gardening in any part of the Lakes or the Common Areas, except with express permission from the Board. The Lakes and the Common Areas shall be used and enjoyed only for the purposes for which they are designed and intended, and shall be used subject to the rules and regulations from time to time adopted by the Board. Without limiting the generality of the foregoing, the Lakes are and will be an integral part of the storm water drainage system serving the Development, and are intended to be used for such purpose and primarily as a visual and aesthetic amenity and not as a recreational amenity. Accordingly, no use shall be made of the Lakes which in any way interferes with their proper functioning as part of such storm water drainage system. No boating, swimming, diving, skiing, ice skating or other recreational activity shall be permitted in or on the Lakes. No sewage, garbage, refuse, or other solid, liquid, gaseous or other materials or items (other than storm and surface water drainage) shall be put into the Lakes, except the Association may take steps to clean and purify the waters thereof by the addition of chemicals or other substances commonly used for such purposes or by providing therein structures and equipment to aerate the same. Fishing from the shoreline area of the Lakes by an Owner, his occupants, his invited guests and family, shall be permitted subject to rules determined by the Association and abeyance and compliance with all applicable fishing and game laws, ordinances, rules and regulations. No Owner or other person shall take or remove any water from or out of the Lakes, or utilize the water contained therein for any purposes, including, without limitation, connection with any sprinkler or irrigation systems. No piers, docks, retaining walls, rafts or other improvements shall be built, constructed or located on any Lot or on the Properties, except by Developer and/or the Association, which extend into, or to within twenty-five (25) feet from the shoreline of the Lakes.

(b) Nuisance. No nuisance shall be permitted to exist on any Lot and no waste shall be committed on any Lot which shall or might damage or cause injury to the Common Areas.

(c) Setback Lines. Building setback lines shall be established on the Plat. The minimum setback lines shall be as follows:

i. The setback from street right of ways will be a minimum of thirty (30) feet from living space and thirty (30) feet from any front load garage, Areas "A" and "B" only.
